

QUALITY POLICY

- 1) Customers are our primary focus-we strive to meet customer requirements, applicable statutory and regulatory requirements and QMS requirements.
- 2) We strive to be the leader in providing solutions to the interconnect industry as we serve our customer in the aerospace, military, medical, industrial and geophysical exploration markets.
- 3) Committed to addressing risks and opportunities associated with the context and objectives of the organization.
- 4) We value all interested parties in our organization, this includes all internal resources and external providers.
- 5) Continual improvement and enhancing customer satisfaction is essential to our success.
